a not-for-profit corporation established in 1952

## TEAM PAGE POLICY

Boys Baseball of Aurora provides a Team Page to each Major, Minor, and Rookie League Team on the web site. The League will also post the official team photograph of every team. Beyond that, it is the responsibility of each manager to develop and maintain his team's page. Listed below are several Do's and Don'ts to keep in mind.

### **Do:**

Encourage your boys and their parents to scroll through the new Boys Baseball of Aurora website and especially their team page.

Add your practice schedule, game schedule, treat schedule, etc. to coordinate the efforts of players, parents, and staff.

Post photographs of EVERY player on your roster in action-either at practice or during a game.

Include instructional baseball drills and videos that might be helpful to parents and their boys away from practice.

### **Don't:**

Allow verbiage or visual images that are disrespectful to Boys Baseball of Aurora, other teams, or umpires.

Identify boys in photographs either by name, number, or location. You may list a roster of current or former players.

Include telephone numbers of your players or parents. Limit contact information to the manager and coaches only.

Encourage your team parents to download the official team photograph as that is a Federal Offense.

Please note that all Team Pages will be monitored on a continuing basis by the League. If offensive or disrespectful content is found on a Team Page, the material will be deleted and the manager will be held responsible. Use the page as it was intended-to inspire a sense of pride in your team, to enhance communications with your team, and to reinforce fundamental skills away from practice.
